- Check out the Missouri Dual Credit/Dual Enrollment scholarship here - <https://dhewd.mo.gov/ppc/grants/dcdeforstudents.htm>

- Will my class transfer? Use the University's class name and course # to check for transferability to the college you will be attending after high school. One resource you could use is Transferology - <https://transferology.com/index.htm> It is the student's/parent's responsibility to check with the college that they are planning to attend to see if the college will accept the college credits obtained through these programs.

** Registration for each class can vary - either fall, spring, or yearlong. Some yearlong classes also require registration for both fall and spring.

* Seniors - In the **Spring**, if you registered for a Dual Credit class, be sure to send your college transcript to the college you are attending in the fall.
