

January 5, 2024

Dear Students and Parents:

2nd semester dual credit has begun and it is now time for you to register for the Spring semester 2024.. You will have the opportunity to earn college credit while you are in high school at a cheaper rate. FZN has relationships with Universities that allow our students to take classes on our campus but are taught by University approved teachers.

Parents - your student doesn't have to attend one of these Universities after they graduate. They would simply request to have their transcript sent to the school of their choice. If you have any questions, please contact me, Nita McGill in the counseling office at 636-542-7016 or nmcgill@fz.k12.mo.us.

There are 8 year-long classes that you pay for each semester. You pay for semester 1 in the Fall 2023, then in the Spring 2024 semester, you will pay for semester 2 if you want to pay for the complete year. These courses are:

AP Chemistry

AP Psychology

AP Lang & Comp

AP Lit & Comp

AP Calculus BC

Western Civ

Spanish IV

German IV

Reminder - if you didn't pay for sem 1, you can't pay for sem 2. Sem 1 is the prerequisite for sem 2

Thank you,
